OFFICIAL RULES

Description of Contest: This is a dart league player recruiting contest that awards prizes to winning NADO league players that recruit qualified 'NEW' players into a NADO Franchisee's NADO Player Reward Program Dart League. Player/Contestants must meet certain league play requirements in order to relate their league experience to potential recruits and to utilize tournament and league entry prizes. Player/Contestants can increase their likelihood of winning a prize by recruiting additional 'NEW' players as well as reaching certain recruiting milestones.

Contest Period: Contest runs from January 1, 2021 through 11:59 p.m. CDT September 19, 2021

Winner determined by random draw of eligible entries to be held at the NADO 2020-21 Continental Finale in October 2021*. **YOU DO NOT NEED TO BE PRESENT TO WIN any prize.** (* Drawing date subject to possible change.)

How to enter: Every time you recruit a qualified 'New' player into a NADO Player Reward Program Dart League during the contest period your name along with the name of your recruit will be held for possible entry into the Recruiting Contest drawing.

How to win: At the end of the contest period, for each qualified 'New' player that meets the eligibility and minimum play requirements in a NADO Player Reward Program Dart League during the contest period, the "New" player's name along with the name of the recruiting player will be entered as a single entry into the pool of entries. A drawing will be conducted at the NADO 2020-21 Continental Finale in October 2021* to determine the prize winners. If selected, each name on the entry (recruiter and new recruit) will be awarded the respective prizes listed.

New Player: Any player at least 21 years of age that has played less than 4 NADO, NADO franchisee, or NADO franchisee acquisition league matches of any type (pool or dart leagues including junior & remote) during the period from January 1, 2020 through December 31, 2020. To be counted as a **New Player** the **New Player** must complete at least 8 nights of NADO Player Reward Program Dart League play in the NADO dart league program during the contest period. A **New Player** may only be counted as a **New Player** one time and by only one contestant regardless of whether the **New Player** competes in more than one league or not. A **New Player** that has already deemed to have been recruited by one player based upon the first or earliest verification form is ineligible to be recruited by another contestant regardless of that contestant's eligibility status or whether or not that contestant remains eligible by virtue of game play requirements, disqualification or any other reason. A contestant may not transfer credit for a **New Player** recruited by him or her to any other contestant for any reason.

Contestant Eligibility: A recruiter can be any NADO franchisee league player 21 years of age that completes at least 8 nights of league play during the contest period. A **New Player** can also be a 2020-21 NADO Dart Player Recruiting Contest recruiter. A player may only win one prize. If a player is selected in more than 1 prize or contestant category, the player will be given their choice of prize from the categories selected. In such case, additional draws will be held to award the remaining prizes only for the unawarded category (new recruit or recruiter).

Ineligible: NADO & NADO franchisee employees, immediate family members (spouses, parents, siblings and children) or household members of employees are ineligible. Employees, outside contractors, agents and representatives (whether paid or unpaid) of a dart game manufacturer, distributor or operator or a competing dart league operator are ineligible. A contestant may not be an owner, manager, employee or representative of any NADO dart league location.

Agreement to Official Rules: Participation in the contest constitutes full and unconditional agreement to and acceptance of the Official Rules and the decisions of the Sponsor, which are final and binding. Winning a prize is contingent upon being compliant with these Official Rules and fulfilling all other requirements set forth herein.

Verification: **New players** must indicate on the Verification Form the name of their recruiter and verify with their (the new player's) signature. Since **New Players** are required to play a minimum of 8 nights of league play, signed Verification Forms must be submitted by the recruiting contestant to the Sponsor as indicated on the form or photos/scanned images of the forms emailed. **Forms must be postmarked or emailed no later than 20 days after the first night of league play of the New Player.** **New Players** may not be registered after August 15, 2021. Sponsor shall not be liable or responsible for any verification forms lost or delayed by the U.S Postal service, email spam filters or any other means of delivery. Verification forms can be submitted by mail to: NADO; P.O. Box 1709; Effingham, IL 62401. Forms may also be submitted by email to nado@nado.net. Forms submitted by email should also use the 'read receipt' option. It is the sender's responsibility to ensure any forms sent to contest management were received by contest management. Verification form can be submitted online at <http://NADO.net>.

No Purchase Necessary: You can be a recruiter or recruited new player without having to play in a NADO league. This can be accomplished by fulfilling the time obligations that are the same as a regular league player recruiter or new player recruit. Complete the Dart Player Recruiting Contest sign-up form. In the section "Team Playing On" enter "Non-Player". Indicate the "League Name" that you wish to participate in as a non-player. Mail that form to us prior to the start of league scheduling deadline as indicated by the local NADO franchisee's sign-up instructions or the NADO Remote League sign-up page.

You will be assigned to a team as a non-player. Follow that team's league schedule on-line and show up for the required number of league matches the same as a regular league player. For verification purposes, for each night of league attendance take a time stamped picture of yourself at the start and end of each match with both competing teams for local leagues or the local team and the dart board with the active remote league screen in the background. Print and send a copy of the photo within 5 business days of the league play date by US Postal Service to NADO, Attn: Dart Player Recruiting Contest, P.O. Box 1709, Effingham, IL 62401.

Winner Notification: Winners will be announced and posted on the Sponsor's website and Facebook page (<http://NADO.net> & <http://facebook.com/NADORewards>).
